Source: Arizona Board of Regents, November 2008

The discrepancy in the number of students qualified and the number who actually utilized the scholarship can be attributed to the following reasons:

- 1) Student(s) choose to attend another college, community college or university other than ASU, UA, or NAU.
- 2) Student(s) were offered another university academic merit scholarship with more monetary value than the High Honors Tuition Scholarship.

Data provided is based on the students who actually utilized the HHTS not the students who qualified.
